MEN'S WEARHOUSE

Men's Wearhouse, Inc. Local Giving Guidelines

Men's Wearhouse, Inc. is committed to contributing to the many communities that support our stores. We realize there are many worthwhile nonprofit organizations that support various areas of need in each community. This is why we give our local Men's Wearhouse stores an annual allocation to give gift cards to their favorite community nonprofit organizations in support of their fundraising efforts. Likewise, our Men's Wearhouse & Tux stores are allotted a certain number of tuxedo rentals to donate to nonprofit organizations for raffle prizes or charitable uses.

Instructions

To submit a donation request, please fill out the form below either electronically or by hand and attach any letter of solicitation you may have. Once completed, mail it attention "store manager" to the Men's Wearhouse or Men's Wearhouse & Tux store nearest you or stop by and drop it off. To find the store nearest you, call (800) 776-7848.

Requirements

In order to consider your request, your organization must hold a current 501(c)(3) IRS status and provide us with its assigned Federal Tax Id number. We are unable to give to individuals or memorial funds that are not associated with a nonprofit organization with this status.

The store manager must receive this donation form along with your solicitation letter no later than **30 days prior** to the date the contribution needs to be received. Remember that our donations are limited to gift cards, merchandise or tuxedo rentals – not cash donations.

Qualifications

Within our Giving Policy, it has been determined that we are unable to assist churches of any denomination that are fundraising for purposes only related to their church (i.e. building funds, restoration funds, membership drives, etc.). If the money being raised will be distributed through an outreach program to the needy in your community, regardless of their affiliation to your church, please feel free to submit the form. This policy was established due to the fact we are a publicly held company and must remain nonpartisan.
